Michael Mamas was honored with the esteemed title of Adhyatm Vidhya Visharad (translated, Spiritual Master) from the University of Gujarat in India. The only person who is not a Brahmin, priest, or pundit to ever receive the award, he was given this title for his expression of deep knowledge and wisdom.

*The spiritual path is highly elusive, likened to passing through the eye of the needle.
Michael Mamas will not just teach you about spirituality, he will assist you in passing through
that needle's eye.*
